Add to Apple Wallet From Your MY SHEA'S Account On Your Mobile (iOS) Welcome to MY SHEA'S App, where our patrons can quickly and easily manage tickets, all with the click of a button!

Select My Tickets to begin managing MY SHEA'S Account.

Here, you will find a listing of all the upcoming events that you have tickets to.

With MY SHEA'S App, you can easily view your tickets, transfer a seat to a friend, download your tickets to Apple Wallet, or have your barcode scanned by our ticket takers.

Tap on any event to manage your tickets.

1. To speed up the ticket scanning process when coming to see a show at Shea's, you can download your ticket in advance by clicking on Add to Apple Wallet.

2. You can choose to add an individual ticket, or all your tickets for a performance.

3. Click Add to confirm, or you can **Review** your tickets in Apple Wallet before you decide to add your tickets.

Transfer Tickets

FAQ:

The tickets aren't in my account. Why should I use Apple Wallet? When should I add tickets? Why does it say Ticketmaster? Can I just View Barcode in MY SHEA'S App?

You may have logged in using an email not associated with your tickets, or the tickets have not yet been made available in your MY SHEA'S Account. Please **contact the Shea's Box Office** to confirm your email address and your tickets.

Apple Wallet is a pre-installed app intended to make mobile ticketing without needing an internet connection. We recommend downloading your tickets to speed up the barcode scanning process.

Anytime before you enter the doors! Being able to pull up your tickets with Apple Wallet makes scanning your tickets simple, so we can get you to your seats.

MY SHEA'S Account is hosted through Ticketmaster, as is all our mobile ticketing.

Yes, you can also just pull up the barcode on MY SHEA'S App and get scanned in. Remember to swipe to scan multiple tickets!
