DECKING THOSE HALLS!

SHEA'S GETS INTO THE FESTIVE SPIRIT.

Shea's has officially decked the halls! If you caught any of our holiday favorites this season, THE NUTCRACKER, A CHARLIE BROWN CHRISTMAS TOUR: LIVE ONSTAGE, Shea's Free Film Series: ELF, 'TWAS THE NIGHT BEFORE by Cirque du Soleil, or IRVING BERLIN'S WHITE CHRISTMAS, then you've already seen the Shea's campus sparkling in full holiday splendor.

Once again, the magic came together thanks to the incredible team at Hale Northeastern, along with our dedicated stagehands and Shea's staff. Their hard work brought the entire holiday setup to life in just two days- a true behind-the-scenes holiday miracle!

This year's décor showcases the iconic colors of Shea's Buffalo: rich golds and maroons, along with the iconic Tiffany blue color featured on our ceilings! The centerpiece of it all is our breathtaking Grand Tree, perched at the top landing of the Grand Lobby staircase. Standing 12 feet tall on a 2-foot base, the tree rises an impressive 14 feet above the lobby, creating a stunning welcome for every guest who enters the main lobby.

Haven't stopped by yet? There's still time! Our holiday decorations will remain up through the remainder of 'TWAS THE NIGHT BEFORE by Cirque du Soleil. Don't miss the chance to experience both the festive atmosphere and this breathtaking production. Get tickets [here](#).

Be sure to check out more photos from this year's holiday setup and relive the magic of the season at Shea's!

1970s, Ohio. Lizzie gathers a group of women to talk about changing their lives, and the world. What follows is a necessary, messy, and bitingly funny exploration of what it means to be free, and to be a woman. In *LIBERATION*, Lizzie's daughter steps into her mother's memory—into the unfinished revolution she once helped ignite—and searches the past to find the answer for herself.
