

Welcome to  
Shea's Performing Arts Center  
Let's see a show!

# THEATRE ETIQUETTE

What you need to know about visiting  
our theater for a live performance

Get here at least **15 minutes before** the show starts.  
Look up and around. Take in the **beauty of our theater!**

Use the **restroom** before the show starts.

Our **ushers** are here to help! They can lead you to your  
seat.

When you arrive at your seat, take a look at your "**Sheabill**"  
to get to know the **people** that **created** the show and the  
performers.

Please **turn off and put away your phone** or any electronic  
device that might disrupt the performance.

**No photography or recording** is permitted during the  
performance.

Stay quiet throughout the show. Wait until the **20  
minute intermission** to talk about your experience.

However follow your **instinct** to **applaud** after musical  
numbers and big moments during the show.

Save your **whistles** or "**woots**" for the **bows** at the end  
of the show.

Be attentive, let the performance engage  
your imagination and enjoy the show!
