Welcome to Shea's Performing Arts Center From the President

As we close the Frey Electric 2025–26 Season at Shea's 710, we celebrate a remarkable and record-breaking year. From exciting lobby renovations to our first season partnering with MusicalFare, this year marked an inspiring new chapter for our theatre and for live performance in WNY. None of it would have been possible without the support of our patrons, donors, sponsors, volunteers, artists, and staff.

We are already looking ahead to an exciting new season featuring *SpongeBob The Musical*, *Miss Holmes*, and *Mean Girls* — productions filled with the creativity and energy audiences have come to expect from Shea's 710.

Meanwhile, progress continues just down the street with *Elevate Shea's: The Next Act Begins Now* at Shea's Buffalo Theatre. With major improvements focused on accessibility and guest experience, this transformational project will help preserve the magic of Shea's for generations to come.

As we close with *A Few Good Men*, we are reminded of the power of live theatre to challenge, connect, and inspire us. Thank you for being part of the Shea's family and for supporting the arts in Buffalo. We look forward to welcoming you back next season at Shea's 710.

Sincerely,

A handwritten signature in blue ink that reads "Brian Higgins".

welcome from the
artistic director

Welcome to Road Less Traveled Productions return to Shea's 710 Theatre with ***A Few Good Men*** by Aaron Sorkin! RLTP has had a long successful and collaborative relationship with Shea's 710 that goes all the way back to 2013 when we re-opened this theater space with our production of ***Circle Mirror Transformation*** and has continued through last season's murder/mystery hit - ***Dial M for Murder!***

A Few Good Men marks RLTP's 8th production at Shea's 710 and I'd like to thank Brian Higgins, Robert Brunschmid, John Herbert and the Shea's Board of Directors for including RLTP in their vision for this important anchor theater in Buffalo's Theater District.

Aaron Sorkin's ***A Few Good Men*** was originally written for the stage in 1989 and then turned into a blockbuster film in 1992. ***A Few Good Men*** has become an American cultural touchstone over the years and it's the movie that's always playing on TNT (or somewhere) that when you see that it's on, you just can't seem to switch the channel.... One of the most iconic courtroom dramas ever, its themes still resonate strongly today.

This season marks RLTP's 22nd Season in downtown Buffalo! Thank you for all for your support as we continue to bring unforgettable live theatre experiences to downtown Buffalo!

Thank you for joining us on the Road Less Traveled!

Miss Holmes

by *Christopher M. Walsh*

April 2 – April 11, 2027

An anonymous note, a fearful wife, and a pair of curious shoes? Sounds like a case for Sherlock Holmes and Dr. Watson. Ah but there's a twist: in a gender-bent take on Arthur Conan Doyle's classic characters, the play follows Miss Sherlock Holmes and Dr. Dorothy Watson as they sleuth their way through the twists and turns of this classic mystery. In dangerous 19th century London, where gender roles are rigidly defined, these unconventional women dare to challenge societal norms by providing an unusual, but necessary, service.

The Shea's Buffalo Expansion

As we celebrate 100 years of Shea's we look towards the future. The Shea's Buffalo Expansion is a transformative new space that will redefine how Shea's Buffalo serves the community. Designed with flexibility, accessibility, and creative collaboration in mind, the expansion will ensure Shea's is not just preserved, it's propelled into its next era.

Exciting new features include: three large-capacity, high-speed elevators to provide greater accessibility on every level, over 60 new restroom fixtures to reduce wait times and improve guest comfort, expanded lobby and mezzanine lounges with modern seating and gathering space, and a drop-off zone with enhanced exterior lighting for a safer, more welcoming entry.

Be Part of the Next Century of Wonder

Leave your **LEGACY** on the stage

Ensure the future of Shea's by including us in your estate plans.

You are helping to guarantee generations will be able to enjoy quality live performances as you've enjoyed on all of our stages.

Gifts through:

- Bequests in your will
- Retirement Plans or Life Insurance
- IRA Distributions
- Appreciated Securities

The future of Shea's Performing Arts Center has never been more promising. However, we need YOU! Investing in the future of Shea's is necessary to continue the tradition of quality entertainment that Western New Yorkers have enjoyed since 1926. Ticket sales only cover a small fraction of our overhead and leave no room for growth. Philanthropic support is crucial. Through a lasting gift in your estate plans your legacy can be part of the Shea's history.

Contact: Guy Tomassi at (716) 829-1189 for more information or to inform us if you have already included Shea's in your plans.

SHEA'S 1926 LEGACY SOCIETY

Members of Shea's 1926 Legacy Society have invested in the future of Shea's through planned giving to ensure our glorious theatre remains a gift to Buffalo for many years to come.

Have you included Shea's in your estate plans? Call Guy Tomassi at (716) 829-1189 and let us recognize your support!
